Write an essay of *at least* four well-developed paragraphs in length on *one* of the two questions below (100%):

1. Write a process analysis essay on how to end a romantic relationship in a way that is as considerate as possible towards the person with whom you are ending the relationship. Remember to describe - in order - the necessary steps of this process.
2. Explain the causes or effects of insomnia. (Insomnia means difficulty falling asleep or staying asleep.)
