<b>Chapter 1 - Welcome to Beyond Basics</b> .....	<b>1</b>
The Database Management System .....	.2
Adding Your Own Data to Research Insight .....	.2
Additional Resources .....	.3
Customer Support .....	.3
<b>Chapter 2 - Adding Data Items</b> .....	<b>5</b>
Creating Your Own Data Item .....	.6
Select a Name and Mnemonic .....	.6
Choose a Data Format .....	.7
Select an Adjustment Method for Per-Share Items .....	.7
Define the Number of Characters .....	.9
Define How Many Values an Item May Have .....	.9
Select a Category for the Item .....	.9
Specify How Often the Item is Reported .....	.10
Select Either Financial or Market Category .....	.11
Specify How Data Values are Scaled .....	.11
Add a Note to Your Data Item .....	.11
Viewing Your Data Items with the Look Up List .....	.12
Assigning Values to Your Data Item .....	.12
Deleting Your Data Item .....	.12
Moving Your Data Item to Another Database .....	.13
<b>Chapter 3 - Editing and Assigning Data Values</b> .....	<b>15</b>
Assigning Data Values .....	.16
Calculating Data Values .....	.17
Importing Data into Research Insight .....	206
Spreadsheet .....	.20
Importing Data .....	.21
Editing Existing Data Values and Adding Data Values into the Future .....	.22
Restoring the Original Data Value .....	.23

<b>Chapter 4 - Adding Companies</b> .....	<b>.25</b>
Adding a Company to Research Insight .....	.26
Assign a Company Ticker Symbol .....	.26
Defining Company Characteristics .....	.27
GVKEY and CUSIP Number .....	.27
Company Name .....	.27
Set	
Current Peiod	
Fiscal Year .....	.28
Adjustment Factor .....	.28
Segments .....	.28
Native Currency	
Add a Note .....	.28
Assigning Data Values to a Company .....	.29
Adding Data Manually .....	.29
Calculating Data Values .....	.30
Importing Data into Research Insight .....	.30
Deleting a Company .....	.31
Moving a Company to a Different Database	
<b>Chapter 5 - Adding Segments and Issues</b> .....	<b>.33</b>
Adding a Business Segment to a Company .....	.34
Adding Data Manually .....	.36
Calculating and Importing Data .....	.37
Adding a Geographic Segment to a Company .....	.38
Adding Data Manually .....	.39
Calculating Data Values .....	.41
Importing Data into Research Insight .....	.41
Adding a Stock Issue to a Company	
Adding Data to an Issue Segment .....	.43
Adding Data Manually .....	.43
Calculating Data	
Importing Data into Research Insight .....	.44
Restoring and Deleting Segments	
Restoring and Deleting Segment Data .....	.47
<b>Chapter 6 -ting</b> .....	<b>.49</b>
Expor .....	.50
Exporting Concepts from Research Insight .....	.51
<b>Chapter 7 - Adding and Editing Concepts</b> .....	<b>.53</b>
Creating Your Own Concept .....	.54
Editing an Existing Concept	
Deleting a Concept .....	.55

<b>Chapter 8 - Adding and Editing Currencies</b> .....	<b>.57</b>
Adding a New Currency .....	.58
Adding Currency Translation Rate Values .....	.59
Editing Translation Rate Values .....	.62
Restoring Translation Rate Data to Its Original Values .....	.63
Moving a Currency to Another Database .....	.64
Deleting a Currency .....	.64
<b>Chapter 9 - Creating Reports in Excel</b> .....	<b>.65</b>
Creating an Excel Spreadsheet with Research Insight Data .....	.66
Basic Add-in Functions .....	.66
Displaying Data for One Company in a Set .....	.67
Selecting Companies with the Run Assistant .....	.67
Displaying Data Over Time for a Company .....	.68
Displaying Data for a Set of Companies .....	.70
Sorting Data in a Set .....	.72
Screening and Backtesting .....	.73
Display Number of Companies in a Set .....	.74
Short Business Descriptions .....	.75
Batch Printing .....	.77
Cell Referencing .....	.78
Relative Referencing .....	.78
Absolute Referencing .....	.78
Use Cell Referencing to Run Reports .....	.79
Adding Time Period References to a Report .....	.80
<b>Chapter 10 - Managing Your Databases</b> .....	<b>.83</b>
How Research Insight Stores Data .....	.84
The Write-to Database .....	.84
Inside the Write-to Database .....	.85
Selecting the Write-to Database .....	.85
Creating a New Database .....	.86
Database Groups .....	.88
Creating a Database Group .....	.88
Adding Databases to a Group .....	.90
Activating a Database Group .....	.91
Database Layers .....	.91
How Data Becomes Blocked from View .....	.91
Changing the Order of Database Layers .....	.92
Managing Databases and Groups of Databases .....	.93
A Graphical Representation .....	.93
Definitions versus Values .....	.94
The Group Dictionary .....	.94
How Research Insight Reads Data .....	.94

How Layering Affects the Write-to Database .....	.95
Collisions .....	.96
What Happens When Standard & Poor's Adds a Company I Previously Added? .....	.96
What Happens if I Use the Same Mnemonic for Two Different Data Items? .....	.98
Moving Databases from One Group to Another .....	100
The Databases Dialog Box .....	100
Moves that Create Orphan Data .....	101
Compression and Orphan Detection .....	102
Recommendations .....	103
<b>Chapter 11 - Managing Core Database Downloads .....</b>	<b>105</b>
Managing Core Database Downloads with the Database Manager .....	106
Verify the Database, Directory Paths and Server Properties .....	107
Select a Database .....	107
Enter the Path to the Database .....	107
Choose the Database Version .....	107
Check the Version Available for Download .....	108
Schedule Database Downloads .....	108
Locate the SpriDown.exe file .....	109
Schedule the Download .....	109
Adjust Settings for More Efficient Downloads .....	109
Run the Download Immediately .....	109
Review a Detailed Report of your Database Downloads .....	111
Specifying the Location of the Database Manager .....	112
Choose a Network or Local Computer to Host the Database Files .....	112
Access the Database Manager .....	113
Select the Default Database in Research Insight .....	113
Reset the Properties .....	113
Enabling/Disabling the Price History Database .....	113
Adjusting Cache Size .....	113
<b>Chapter 12 - Sharing Databases on a Network .....</b>	<b>115</b>
Simultaneous Access .....	116
Changing Concepts in a Network Environment .....	116
Write-to Privileges and Passwords .....	117
Adding a Password .....	117
Changing a Password .....	119
Deleting a Password .....	119
Recommendations .....	119
<b>Chapter 13 - Daily Updates, Earnings Estimates and Value-Added Data .....</b>	<b>121</b>
Downloading Data from the Internet .....	122

Additional Data Available	123
Daily Market Data (North America)	123
Daily Market and Currency Data (Global)	124
Daily Fundamental Data	126
Earnings Estimates Data	136
FIRST CALL Data	136
I/B/E/S Data	136
Value-Added Data Download	137
Economic Data	137
Historical NAICS	138
Index Fundamental Data	139
Insider Trading	144
Institutional Ownership	145
IPO Date	145
Sectores Data	145
Short Business Description	145
Value/Growth Indicators	145
<b>Chapter 14 - COMPUSTAT (Classic)</b>	<b>147</b>
Downloading Classic Data from the Internet	148
Working with Classic Data in Research Insight	149
